

# WORKING WITH THE CAREER CENTER

## MEET YOUR CAREER LIAISON

[Career Center Liaisons](#) assist students with their career development using a tailored approach:

- Get industry-specific guidance and document critiques
- Discuss your career path and career questions
- Get connected to resources

## BECOME CAREER READY

Use [ProfessioNole Ready](#) to practice the skills that employers are seeking:

- Gain competencies interactively
- Finish modules at your own pace
- Earn digital badges and get recognized

## USE CAREER CENTER LIBRARY

The Career Center Library has a variety of resources in-person and online to assist you with your career question:

- Watch [CandidCareer](#) videos related to career development and interviews with professionals from every industry and field of interest.
- Review [Career Guides](#) such as Choosing a Major, Writing a Résumé, and Applying to Grad School
- Browse our library book collection
- Explore [databases](#) with internship and job opportunities using Career Center databases like [Vault](#) and [GoinGlobal](#)

## MAKE CONNECTIONS THAT COUNT

Networking can be intimidating, but FSU's Career Center offers programs to help:

- [ProfessioNole Mentors](#) helps you connect to potential mentors in occupations that you're interested in
- Visit [NoleNetwork](#) events to learn about companies that recruit at FSU through employer information & networking sessions or career fairs. Get to know the diverse opportunities available to you by meeting with recruiters.
- [LinkedIn](#) has a robust alumni search to get you in touch with people who had majors you're considering

## ATTEND WORKSHOPS, CAREER FAIRS & EVENTS

As a student it is important to attend professional development events to gain information and grow your network:

- Add FSU's Career Center on social media platforms to stay up to date on events
- Visit [NoleNetwork](#) events to learn about companies that recruit at FSU through employer information & networking sessions or career fairs. Get to know the diverse opportunities available to you by meeting with recruiters.

## CAREER CENTER PROGRAMS

Check out Career Center programs for opportunities to grow professionally, explore options and prepare for your future:

- [ProfessioNole Ready](#)
- [ProfessioNole Mentors](#)
- [FSUShadow](#)
- [Folio](#)
- [ProfessioNole Pathways & Badges](#)
- [Garnet & Gold Scholar Society](#)
- [NoleNetwork](#)
- [Mock Interviews](#)
- [InternFSU](#)
- [Experience Recognition Program](#)

## PREPARE FOR YOUR JOB

Life as a student can get busy. Do not wait until you are about to graduate to begin preparing for your job search. Get started today:

- Use [drop-in advising](#) to have your Résumé/CV reviewed each semester
- Create a [portfolio](#) to hold artifacts of your work, badges and certifications
- Complete a [Mock Interview](#) or [Big Interview](#) to enhance your interviewing skills

## GAIN EXPERIENCE

The Career Center provides opportunities for you to develop professional skills with a manageable time commitment:

- [Career Center Ambassadors](#) program helps you to gain leadership experience, network with employers and staff, and make a positive impact others' college experience
