

Module 2

Making a Career Decision

Objectives

1. To help you identify areas that are important to consider in making career choices.
2. To learn and apply the skills involved in career problem-solving and decision-making.

Below Are Activities to Help You Achieve These Objectives

- a. Ask a Career Advisor for the *What's Involved in Career Choice* handout to gain a greater awareness of the career decision-making process.
- b. Review *A Guide to Good Decision Making* sheet to explore more effective ways to make career decisions.
- c. Get started on the *Guide to Good Decision-Making* exercise with the assistance of a Career Advisor.
- d. Review materials in the Module 2 folder in the Mobile File.
- f. Complete the *Choosing a Major or Occupation* workbook with a Career Advisor.
- g. Register for Units I and II of the *Introduction to Career Development Class - SDS 3340*. A course syllabus is available for your review or at career.fsu.edu/courses/sds3340/syllabus.html.
