So, you have decided to pursue that perfect internship or co-op position. We applaud you for recognizing the need and value of relevant work experience. You are certainly on the right track in terms of boosting your future career. However, before you plunge ahead, there are a few elements you should consider.

This guide is a simple, step-by-step strategic outline designed to assist you in looking at where you are and where you want to go. The basic purpose is to help you assess your readiness for beginning a co-op or internship job search. Use this guide as a worksheet.

Name ______________________________________

Major/Minor________________________________

Classification________________________________

GPA _______________________________________

Date _______________________________________

### Step 1

**A. Identify your motivation**

☐ Think first about why you want an internship or co-op. Knowing why you want something will give you more staying power.

Examples: “Getting Your Foot in the Door” or “Gaining Hands-On Experience”

---

### What’s Inside?

- Identify your motivation.............................................1
- Evaluate your readiness..............................................2
- Assess the benefits to your future..............................2
- Define your short term goal(s).................................2
- Create your action plan steps to reach your goal...2
- Track your progress.....................................................3
- Goal accomplished!......................................................3
- Tips to find an internship or co-op............................4
- Resources.......................................................................4
B. Evaluate your readiness
Timing is everything! Questions to consider:
- Which type of experiential learning position is best for me and how many should or can I do?
- What tools do I need to land the best internship/co-op?
- What resources are available to assist me?
- What types of employers hire interns and/or co-op students in my major?
- Can or will I take an unpaid position?
- When should I start looking?
- What do I have to offer (skills, knowledge, and abilities)?

____________________________________________

C. Assess the benefits to your future
- Identify specific benefits or outcomes for participating in an internship or co-op.
- How will it complement your academic studies and future career goals?

____________________________________________

Step 2
Define your short-term goal(s)

- Goals provide direction and give shape to your dreams and aspirations. They also help set priorities and help us work within a time frame.

Step 3
Create your action plan…steps to reach your goal!

- If you fail to plan, then you plan to fail. Be proactive about reaching your goal.
- How will you reach your goal(s)?
- How will you make it happen?
- What resources (print, online, or individuals) will you use in your search?

Be specific!

Step 4

Track your progress

☐ How are you doing so far?
☐ Can you see the end in sight?
☐ Do you need to revisit your goal or re-adjust your plan of action?

Step 5

Goal accomplished!

Congratulations! You are well on your way to finding an internship or co-op of your choice. Now what? To get answers, read Preparing for Internships and Co-ops (career.fsu.edu/IMAGES/PDFS/Guides/PreparingForInternshipsAndCo-ops.pdf) and Making the Most of Your Internship or Co-op Work Experience (career.fsu.edu/IMAGES/PDFS/Guides/MakingTheMostOfYourInternshipOrCo-opWorkExperience.pdf).

Please let us know about your success! Report it at career.fsu.edu/internships_and_co-ops/reportjob.cfm.
If you are ready for an internship or co-op experience, use these resources to find an opportunity that meets your needs.

- Visit The Career Center to meet with an internship/co-op advisor who can steer you in the right direction.
- Register for Plus! services through Seminole Link at career.fsu.edu to access postings.
- Use the ProfessioNole network at to contact professionals in your field of interest. Visit career.fsu.edu/professioNole/students.cfm for more information.
- Create a Career Portfolio showcasing your skills and experience for potential employers to view.
- Utilize the 3000+ resources in the Career Center library to research industries and employers.
- Make contact! Ask family members, friends, professors, advisors, and any other individuals you know about potential internship and co-op opportunities.
- Job shadow. This activity allows you to see the inside of an organization and meet professionals in your area of interest.
