1 2 3 4 5 6

Career-Related Workshops

Attend employability skills workshops, such as résumé writing, interviewing, etc.

2 3 5

SDS 3340: Intro to Career Development

Learn and develop the necessary skills to successfully choose a major, decide on an occupation, learn to write a résumé, interview effectively, and develop a job search strategy.

1 2 3 4 5 6

1

Plan Your Career

- Visit The Career Center to find resources on various majors/occupations.
- Identify personal values, interests, and skills.

- Visit faculty and departments for information on majors.
- Attend a Pizza and A Major workshop, co-sponsored with Advising First.
- Find occupations, books, professional organizations, and resources by using Match Major Sheets.
- Get connected with The Career Center's social media pages.
- Start your online Career Portfolio.
- Review a Career Center module, such as Making a Career Decision.

2

Gain Information

- Select a major using Career Center resources and the FSU academic program guide.
- Meet with your Academic Advisor to review your plan to complete liberal studies and prerequisite requirements for your major.
- Attend the Student Success Conference, co-sponsored with Advising First.
- Enroll in SDS 3340: Introduction to Career Development.
- Explore your career options by attending a Career Panel, co-sponsored with Advising First.

3

Identify Occupations

- Explore more than 3,000 information resources in The Career Center library to help you research majors or related occupations.
- Search for books, videos, and other resources about your major in Career Key.
- Conduct an informational interview to learn more about professions.
- Connect with professionals in your area of interest and expand your network by accessing ProfessioNole.
- Use a computer-assisted career guidance system to explore occupations related to your personal interests.

6

Find Opportunities

- Visit The Career Center library to investigate and research potential employers.
- Attend various career fairs to identify employment opportunities and network with employers.
- View and apply to job listings and create job search agents in SeminoleLink Plus!
- Participate in employer information sessions and networking receptions.
- Engage in on-campus interviewing.

- Attend Seminole Success Night and Veterans Networking Night.
- Refer potential employers to your Career Portfolio.

4

Get Experience

- Use The Career Center to find part-time jobs on or off campus.
- Update your Career Portfolio to connect your experiences with skills employers want.
- Identify and join student organizations related to your career goals.
- Join Delta Epsilon Iota, a career-focused student honor society.
- Participate in a job shadowing opportunity.
- Research volunteer opportunities related to your career field.
- Attend a workshop on how to find an internship.
- Explore internship or cooperative education experiences related to your major or career field.
- Join the Garnet & Gold Scholar Society.

5

Prepare for the Next Step

- Revise your résumé and cover letter and have it critiqued by a Career Advisor.
- Update your résumé in SeminoleLink Plus! to access internship search services.
- Connect with professional organizations related to your career field.
- Sign up for a mock interview using SeminoleLink Plus! to practice interviewing.
- Attend The Career Center's From Nole to ProfessioNole employability workshops on résumé writing, career fair preparation, and more.
- Create your own LinkedIn profile and join The Career Center's LinkedIn group.
- View online Career Center workshops to learn job search skills.
- Speak with a Career Advisor to plan your job or graduate school search.
- Get your professional statement for graduate school critiqued by a Career Advisor.
- Attend the Graduate and Professional School Fair.
