

Making a Career Decision

Objectives

1. To help you identify areas that are important to consider in making career choices.
2. To learn and apply the skills involved in career problem-solving and decision-making.

Activities to Help You Achieve These Objectives

- Ask a Career Advisor for the *What's Involved in Career Choice* handout to gain a greater awareness of the career decision-making process.
- Review *A Guide to Good Decision Making* sheet to explore more effective ways to make career decisions (ask a Career Advisor for this handout).
- Get started on the *Guide to Good Decision-Making* exercise with the assistance of a Career Advisor.
- Complete the *Choosing a Major or Occupation* guide with a Career Advisor.
- Register for Units I and II of the *Introduction to Career Development Class - SDS 3340*. A course syllabus is available for your review at <http://www.career.fsu.edu/Students/Plan-Your-Career/SDS-3340-Introduction-to-Career-Development>
