WORK-LIFE INTEGRATION
Find a balance between work and play using these resources

BUILD A HOLISTIC SCHEDULE

In order to balance work with play, it is important to understand your daily/monthly schedule and responsibilities:

- Use a planner to keep track of deadlines, plans and activities
- Block out time for fun activities and self-care
- Identify weeks that may be stressful or unbalanced due to work obligations

EXPLORE YOUR CITY

Utilize local city websites, like Visit Tallahassee to stay informed on upcoming events, things to do and city resources:

- Find information on events and event updates
- Explore recommendations for local restaurants
- Scout out local parks and outdoor areas

IDENTIFY LEISURE ACTIVITIES

Determine what brings you joy, and explore activities that energize you:

- Complete a values inventory using FOCUS 2 and Sigi3
- Explore options using the activities card sort
- Try out new hobbies to see if you find them enjoyable

FIND AN APP FOR THAT!

Check out apps that can help you to manage stress, break bad habits, organize your schedule and more:

- **Way of Life**: break bad habits and build healthy habits with this daily tracker
